Anticipated purpose of downloaded TMAP data:

Please explain for which purpose the data will be used (publication, report, trilateral project, etc.).

Conditions for usage of TMAP data:

1. It is strictly forbidden to pass TMAP data on to a third party without the permission of the data owner.
2. The usage of TMAP data is only allowed for non-commercial purposes.
3. If the customer wants to publish a product with results from the TMAP data or the TMAP data itself, the customer has to seek for permission from the TMAP data owner.
4. Provided no other arrangement has been reached with the data owner, published data has to be labeled with the owners copyrights.
5. The delivered data can only be used for the above-mentioned anticipated purpose.
6. The permission to access TMAP data can be revoked at any time.
7. The system administrators of the TMAP data units received the TMAP data from several data originators and checked the data for correctness. However, the TMAP data units cannot take over any guarantee concerning the correctness and are not responsible for the delivered data in a legal sense.
8. The product based on the TMAP data has to be delivered to the TMAG.
