

Calendar of Events

2003

Wildlife Health Summer School

15 - 19 June, 2003, Schiermonnikoog, the Netherlands.

The Dutch Wildlife Health Centre (DWHC) and the Graduate School Animal Health (GSAH) are organizing a post-graduate level course providing insight in wildlife health research issues, with an emphasis on free-living wildlife, and in relation to interaction with humans and domestic animals, nature conservation and animal welfare. For registration and further information:

<http://www.dwhc.nl> , info@dwhc.nl.

Fish Behaviour in Exploited Ecosystems

23 - 26 June 2003, Bergen, Norway.

ICES/FAO Symposium, Co-Conveners: Å. Bjordal (Norway) and S. Walsh (Canada). Info: www.imr.no/fishbehave/

Biodiversity Conservation in the Marine Environment

26 June 2003, London, UK.

CoastNET Conference, SOAS University of London, UK. Info: www.coastms.co.uk

Youth Camp: Nature Unlimited

10 - 20 July 2003, Dangast, Germany.

A trilateral experience for young people from the Netherlands, Germany and Denmark.

Info: <http://www.mellumrat.de/jcamp.htm>

Coastal Zone 03 Conference

13 - 16 July 2003, Baltimore, USA.

"Coastal Management through Time" Themes: Port and harbor management, regional land management, management responses to coastal hazards, management of aquatic resources.

Info: <http://www.csc.noaa.gov/cz2003/>

Impact of Global Environmental Problems On Continental & Coastal Marine Waters

17 - 18 July 2003, Geneva, Switzerland.

The international conference is being organised on behalf of the Network for Environmental Assessment and Remediation (NEAR) by the Centre d'Etudes en Sciences Naturelles de l'Environnement (CESNE) and the F.-A. Forel Institute of the University of Geneva.

Topics: 1. Impact of global climate change on water resources and the hydrological cycle including desertification. 2. Water related environmental risk of global importance (prevention, assessment, monitoring, remediation). 3. Species invasions and their impact on aquatic ecosystems. 4. Weathering and continental fluxes to the coastal oceans. Info: <http://www.unige.ch/sciences/near>, mail: morawel@tinyworld.co.uk

Third IAHR Symposium on River, Coastal and Estuarine Morphodynamics

1 - 5 September 2003, Barcelona, Spain.

Symposium Secretariat - RCEM 2003, Prof. Augustín Sánchez-Arcilla / Dr. Allen Bateman, Dept. Hydraulics, Maritime & Environmental Eng., Universitat Politècnica de Catalunya, Jordi Girona 1-3, Building D-1, 08034 Barcelona (Spain).
